

# *Building a Firm Foundation*

**Wednesdays, Sept 13<sup>th</sup>-Nov 29<sup>th</sup> from 5:30-6:45**

Because St. Patrick views faith formation as a total parish experience, this year we are offering a unique program for parents whose children are enrolled in the RCIA adapted for children as a component of their child's formation and preparation.

If your child is enrolled in 2<sup>nd</sup> year of the RCIA adapted for children regardless of the grade level, then we ask you to attend the adult offering, ***Building a Firm Foundation***, an **8 week, visual, immersive, experiential and participatory program** that will be held during the same time as your child's faith formation program on Wednesday nights from 5:30-6:45 (the last 15 minutes your child/children will join us in closing prayer). Classes begin Wednesday, September 13th and end November 29<sup>th</sup>. We have childcare for those under the age of 5 and, of course, Faith Formation classes for your older children. Please reserve your childcare spots by emailing Nancy at [re@stpatrickhutto.org](mailto:re@stpatrickhutto.org).

For more information, you may contact Nancy Longo, the Director of Religious Education.

*“Unless the LORD build the house, they labor in vain who build.”*

**Psalm 127:1**
